

Thank you for donating to Maria Fareri Children's Hospital! We welcome **new and unused** toys, activities, and clothes for our patients. Below is a list of ideas we suggest:

### Donation Guidelines

- All donated items **MUST BE NEW**.
- We are a non-denominational institution. We cannot distribute toys that can be perceived as violent (guns, swords, bow and arrows, etc.) or items with religious content.
- Food items, latex balloons or toys made of glass, wood or brittle plastic are not accepted.
- Please do not wrap, bag, or apply labels to your donation – this makes it easier to personalize gifts to match the patient's interests.
- Movies/video games must have a suitable rating for all age groups (G, PG, or PG-13 DVDs, E video games)
- Due to privacy, safety and infection control policies, gifts may not be delivered directly to patients.
