

ELEVENTWELVE

HOMWORK | LEADER | JOHN: I AM

1 OPENING UP

1. Was there anything this week that stood out to you? Amazed you? Stumped you?
2. In what ways do you feel like the adulteress woman in John 8? What is causing you to feel shameful?
3. One of the things that the Light of the World does is it illuminates the character of God. What are some things that you believe to be characteristics of God?
4. Chris gave the analogy this weekend of a single candle being used to light many more, and how the flame of the original candle isn't diminished even after lighting all the other candles. How can you be the first candle to those around you in school, at work, and even at home?

2 NEXT LEVEL

BECAUSE JESUS IS THE LIGHT OF THE WORLD, HE SHOWS US WHO WE ARE MEANT TO BE AND HAS SHOWN US THAT WE HAVE WORTH AND VALUE. THINGS ARE ONLY WORTH WHAT SOMEONE IS WILLING TO PAY FOR IT, AND JESUS GAVE HIS LIFE FOR YOU!

IF WE WERE ABLE TO SEE OURSELVES THE WAY GOD DOES, HOW WOULD THAT CHANGE US? HOW WOULD THAT CHANGE THE WORLD?

CHALLENGE

This week, take special interest in observing how you interact with people in your life. Are you letting your light shine? Or are you covering it up? Talk to your growth group leader and ask how you can be more loving to those around you and let your light shine!
