

Kerlou

Bu mhath leam a bhith a' suidhe sa ghleann,
's tusa còmhla rium,
ach cho fada bho mo ghràdh,
chan fhaod mi a bhith ri spòrs no fealla-dhà,
ach chì mi thu nam bhruadair fhathast.

Translation

*I would like to be sitting in the glen,
And you with me,
But so far from my love,
I can not sport or joke,
But I'll see you in my dreams still.*
