RE: Village Center Designation Renewals for Craftsbury Village Center and Craftsbury Common Village Center

Dear Sung-Hee,

I am pleased to provide you with formal notification that, at its meeting on June 23, 2014, the Downtown Development Board found that your applications met the statutory requirements for Village Center Designation Renewal (24 VSA Chapter 76A), and renewed the Designations for Craftsbury Village Center and Craftsbury Common Village Center. On behalf of the Vermont Downtown Development Board I want to congratulate you, and welcome your ongoing participation in this program. We hope it will help bring continued vitality to your village center.

The designated areas will remain eligible for all benefits available to a designated village center for the next 5 years. At the end of that 5-year period, in June, 2019, you will need to request renewal of designation. A reminder will be sent to you prior to your renewal date.

Again, it is a pleasure to recognize the renewal of village designation for Craftsbury and Craftsbury Common Village Center.

Sincerely,

Noelle MacKay, Commissioner
Dept. of Economic, Housing & Community Development
