

Craftsbury Select board meeting – June 12, 2013

The select board met briefly at the town office at 10:30 and voted to go into executive session to do a site visit to the Mission New England property on Coburn Hill Road. Susan Houston, Jim Jones, Bruce Urie select board members as well as Steve Marckres, road foreman and Wayne Mutrux (Mutrux Survey) joined the board for the walk. The group walked the proposed trail with Roy Ward and RJ from the church and their attorney, Steve Adler.

After returning from the walk along the proposed trail the board left executive session and went into an open meeting with the board and Steve Marckres present. After a short discussion the motion was made by Jim Jones and seconded by Susan Houston to accept the trail as it was flagged and proposed as the new trail and to close and throw up the section of the present trail from the gate to the pond (approximately 1900 feet). New trail will run southeast from the present gate to the west boundary of the Zuraw property and northeast to the intersection of the current Coburn Hill Trail. See attached map for the approximate location. Trail will be surveyed by Mutrux Survey as soon as possible. Voted 3-0 in favor of the motion. Adjourned approximately 1:50 PM
