

**Craftsbury Website Committee Meeting  
Craftsbury Town Hall**

June 10, 2015 at 4 PM

Present: Michelle Warren, Carol Ceraldi , June Cook and Yvette Brown

We mainly discussed the new draft for the Squarespace website and how it works. We didn't get a chance to go over stats or the picture idea from the previous minutes or approval for the previous minutes yet. There still needs to have work on the wedding page and music section. Michelle will also add COC for the activities section and more of a feature for the farmer's market. Carol will work on the heading titles, to make them more inviting. The Committee agreed to go ahead and make the site live.

Meeting adjourned about 5 pm.
