Town Plan Hearing Meeting

The Selectboard met at the Craftsbury Town Hall on Tuesday, June 14, 2016 at 7 PM. Selectboard present were Bruce Urie, Jim Jones and Susan Houston. Michelle Warren (Clerk of Selectboard), Farley Brown, Stark Biddle and Amelia Fritz were also present.

Approve Minutes Last Meeting:

Jim made a motion to approval the June 7, 2016 minutes with corrections, seconded and approved.

Town Plan Update:

Farley went over the changes since the Town Plan public hearing. Under energy goals, "Encourage renewable energy production in Town" was deleted. On the next line, "To" was deleted.

Under challenges and opportunities, a 3rd bullet was added, "concerns defining appropriate scale of renewable energy for the community".

Susan and Amelia will work with Farley to change the wording on one specific line.

Susan made a motion to accept the Craftsbury 2016 proposed Town Plan executed by the wonderful Planning Commission. All aye, motion moved and accepted.

Other:

The Selectboard discussed the Brown property it now currently owns.

Bruce said the Craftsbury Village bridge needs to be reviewed by a historical engineer because it is considered a historical structure due to its 1929 age. Bruce will work with Ted Ruggles to hopefully have it approved for next year instead of this year for the grant.

The Selectboard Meeting adjourned 7:45 PM. The next Selectboard Meeting is scheduled Tuesday, June 21, 2016 with an informational meeting for the Bicycle and Pedestrian Grant.

Respectfully submitted,

Michelle Warren, Clerk of the Select Board
