

School counseling that makes a difference—for *all* students!

The Use of Data in School Counseling Hatching Results (and So Much More) for Students, Programs, and the Profession SECOND EDITION

Trish Hatch, Julie Hartline

In this new edition of a bestseller, school counselors will discover new ways for moving from reactive to proactive and from random to intentional counseling. By using data to determine what all students deserve to receive and when some students need more, readers will learn effective ways to provide proactive school counseling services, hold themselves accountable, and advocate for systemic change.
