

Love In A Box

Baby Gift Packing Instructions

Boxes for Babies (0-23 months)

These boxes are slightly different than the regular boxes. They will contain items for the baby AND for the mother. You can pack everything in a wrapped shoe-box or in a decorated diaper tote.

HOW TO PREPARE YOUR LOVE-IN-A-BOX

- 1** Take an empty **adult-size** shoebox.
- 2** Wrap your shoebox in colorful paper. Please wrap the lid and box separately.
- 3** Pack your box. Use the list to the right to decide what to put in.
- 4** Use an elastic band to keep the lid closed.
Do not use tape!
- 5** On the end of the box, mark BABY (add GIRL or BOY if your items are gender-specific, otherwise BABY is fine)
