

PLEASE SAVE YOUR EMPTY SHOE BOXES FOR US!

I represent "Love In A Box", a charity that last year supplied over 3,000 gift boxes to children in need; a welcome gift to children and new Mothers from Paris, to Calais, to Bulgaria. 75% of our boxes are given to those in need in the Île de France region.

Please save your empty shoe boxes for us, and we will pick them up during the weeks before **November 15th**. They will be wrapped and filled with soap, toothbrushes, toothpaste, books, a toy, and an item of warm clothing as well as art materials.

We are all volunteers that work with The American Cathedral, other Parishes, Paris schools, Scouts, and local charities. The boxes that you save for us will be delivered, filled with joy, to the less fortunate.

Help make this a year to "share Joy" with those in need.

If you want more information about our mission, go to: <http://amcathparis.com/love-in-a-box/> or email us at: liab.france@gmail.com.

Thank you for your support for this much needed holiday gift surprise.
