Service You Can Count On!

Whether you are using a single auto-scrubber or have a fleet of scrubbers, burnishers and vacuums, Elite's trained technicians can meet your equipment service needs. From regular preventative maintenance to emergency repairs, you can count on us to be there when you need us. Elite has serviced janitorial equipment throughout the State of California since 1980.

Our experienced technicians can make repairs onsite or pick-up your equipment.

Service areas include:
Los Angeles county
San Bernardino county
Riverside county
Orange county and
San Diego county

Trained to repair:

- Auto-scrubbers
- Ride-on scrubbers
- Propane and electric burnishers
- Swing buffers
- Carpet Extractors
- Vacuum cleaners
- Pressure Washers

Authorized Sales and Warranty Service Center for:

- Alto (Clarke)
- NSS
- Nu-Source

We also service:

- Advance
- Eagle
- Honda
- Kohler
- Kawasaki
- Pacific
- Vanguard

Elite's technicians can in many cases provide a same day response. However, if our technician is unable to complete the repair locally, we can provide pick-up and delivery service for even the largest pieces of equipment and provide rental units should your needs require it.

We can customize a maintenance program for regular preventive service and reduce your emergency calls.

Elite Janitorial Equipment Repair is focused on the repairing of janitorial equipment. That's what we do, and that's why we do it quickly and correctly.
