What's your correct size?

International average erect penis width 58 mm*

Your perfect sized condom

Choose from 7 MY.SIZE condom sizes for a perfect fit that offers greater safety and feeling.

Use the MY.SIZE measuring tape to find your perfect fitting condom.

It's so easy:
Cut the MY.SIZE measuring tape on the dotted line with scissors.

Carefully wrap the MY.SIZE measuring tape around the thickest part of your erect penis and read our recommended size shown by the arrow.

Attention: Be careful when cutting the measuring tape as paper edges could be sharp!

With the shown size you have found your perfect sized MY.SIZE condom.

Penis circumference ► MY.SIZE Recommendation

Note: To find your perfect MY.SIZE condom the **circumference** of your penis is important, not its length.

Tip: If you like a closer or wider fit, try one condom size bigger or smaller. It is most important though that the condom doesn't slip off or restrict you!
