

CREATE SOMETHING EXTRAORDINARY THIS SUMMER

At Galileo, kids learn how to make the ordinary extraordinary. Craft sticks become castle walls. Cardboard boxes transform into catapults. And kids start looking at the world a little differently—seeing possibilities that weren't there before, exploring new ideas with more joy and less fear and believing that they can create incredible things.

CAMP GALILEO

PRE-K - 5TH GRADES

A four-week summer program with hands-on art, science and outdoor activities organized around whimsical weekly themes (single camp weeks also available). Monday - Friday, 9 am - 3 pm.
