Limited availability on some items, pricing subject to change at any time.

All rental equipment has been inspected by a factory trained technician at time of rental. Maintenance and/or parts charges will apply to any rental equipment returned in unsatisfactory condition. Customer is responsible for any parts and labor charges associated with repairs or recertifications of rental equipment. Maintenance fee is automatically charged for all respiratory rental equipment. All retractables will automatically be charged a maintenance fee if the equipment has been impacted. Additional maintenance fees and/or cleaning fees may be applied if technician deems necessary due to abnormal use and/or abuse.
