In Memory of
Pastor Edward Craig

For the last several years Pastor Edward Craig has worked tirelessly and selflessly as one of park adopters of Franklin Park in Dove Springs, along with his wife, Mrs. Brenda Craig, and the congregation of the Great Baptist Commission Church. Pastor Craig was not only dedicated to the beautification and preservation of Franklin Park, but also cared deeply for Dove Springs Neighborhood, South Austin, and the community at large. GAVA misses him greatly and send condolences to his family and loved ones.

Memorial tributes may be made in Edwards honor to Great Baptist Commission Church Building fund. Make checks payable to Great Baptist Commission Church, mail to: Austin Baptist Association, PO Box 4978, Austin TX, 78765
October 2017 Community Highlights

**Park and Open Spaces Highlights!**

The Houston School Park Team was awarded an Austin Parks Foundation’s $100,000 Impact Grant. The Houston School Park group will be using these funds to add a pavilion to their park, providing the elementary community with a space for educational activities during school hours and the community with a place for events and celebrations outside of school. Congratulations to resident leaders Gloria Lugo, Vianney Rodriguez, Bertha Hernandez, and Marisa Pereira!

Join the Ponciana Park team for a ribbon cutting ceremony at the park! The team will be celebrating their new playground and other park amenities and also holding a beautification event during It’s My Park Day on Nov. 4th!

It’s My Park Day Fall is just one month away! Join the GAVA park and green space teams on Saturday, November 4th, as they work to improve their park. Volunteers will be needed at Armadillo Park, Joslin Park, Onion Creek Greenbelt, St. Elmo School Park, and the Williamson Creek Central Greenbelt. Please register to volunteer at: austinparks.org/volunteer/impd.

The Dove Springs Community Garden Team continues its amazing work in partnering with the Maverick Green STEM Academy at Mendez Middle School. In September, they worked on the Monarch Way Station. We have given away a Maverick Green STEM Academy (MGSA) Powerpack with a dozen eggs, and fresh vegetables from the community garden every Friday this year-thanks to our Parent Support Specialist, Jessica Victoria, who helps coordinate getting the food to our Mendez families.

On September 13th, GAVA resident team Community In Action gathered to beautify the Pleasant Hill Elementary! Community Action Team has started their second school year working with GAVA!

It is soccer season for the little ones at Sweetbriar Woodway Village and Palomita Child Inc.! Thanks to the coaches and staff of Soccer Shots that are introducing children to fundamental skills of the sport, and promoting physical activity and outdoor play!

The Fresh for Less coupon program has been extended throughout the end of October! You now have until 10/31 to buy fresh produce at either Bread Basket (2623 Jones Rd, 78745) or Texaco Food Spot (6607 S Pleasant Valley Rd) and double your money with the Fresh for Less coupon checks! If you would like to get involved with the Healthy Corner Store Initiative and bring the Fresh for Less coupon program to your local corner store, contact Sergio Ramirez at sergio@marathonkids.org or call at 512-477-1259 ext. 1719.

On September 9th Berkeley United Methodist Health Fair was a success! Neighbors, including leaders of the Cunningham elementary Coordinated School Health team came out to have fun and find resources for health and wellness.
