

## Pledge Form

The Jane Stock Foundation was granted status as a 'Registered Charitable Organization' in January 2011. This allows the foundation and its board to officially accept donations, issue tax receipts while working towards achieving the foundation's goals.

We thank all who made memorial contributions to the Jane Stock Foundation, and we gratefully accept new donations to the foundation. It was the aim and accomplishment of Jane Stock, former Executive Director of the BC Landscape & Nursery Association, to make a difference in the environmental horticulture industry.

To honour her commitment and dedication to this goal, the Jane Stock Foundation seeks to make a difference:

- in the lives of young people and families by providing support and resources to childfocused horticultural and garden-related efforts;
- in the lives of young adults by providing scholarships to those embarking on careers in horticulture, through the Jane Stock Excellence in Horticulture Scholarship;
- in the community and the wider environment, through worthy horticulture and garden-related pursuits.
