## 2017 Turley “Juvenile,” Zinfandel, California

Composed of a variety of younger vines (6-25 years old) that have been replanted in several of our most storied old vine sites, Juvenile comes from a selection of our best vineyards across California, including Hayne, Pesenti, Salvador, Vineyard 101, Fredericks, and Kirschenmann.

*All the classic Zinfandel markers: pretty cherry, salty dried brambly fruits, savory spice, and silky tannins. Hailing from 24 vineyards in 12 different counties across our beautiful Golden State, the Turley Juvenile sets the standard for classic California Zinfandel.*
