

TURLEY

2018 Turley “White Zinfandel” California

All hail the return of the Turley White Zin! We select a few of our Zinfandel vines to pick early (at 19 brix) to make this vivid, dry rosé. Pale rose petals and fraise du bois with a touch of petrichor on the nose. The palate is high in acid, low in alcohol (11.6%), well-structured and thoroughly refreshing. Fermented in stainless steel, then aged only in used French barriques. Though akin to Provençal rosés in the way it’s made, this wine is distinctly Californian.

Tavel in color; California in soul
