

IMPORTANT NOTICE:

By using this website and/or purchasing any of Thrive Nutrition LLC's programs, supplements or services, you are voluntarily agreeing to this disclaimer, and you are legally agreeing that you have read, understand and fully consent to the terms below. If you have any questions about any of the Disclaimer terms, please do not hesitate to contact us at thrivenutritionmn@gmail.com before using our website, or purchasing any of the programs, supplements or services. You must be eighteen (18) year old and have the legal ability to agree to this Disclaimer; thus if you are under eighteen (18) or you do not agree to the Disclaimer below, STOP now, and do not use our website, emails, social media, newsletters, videos, programs, services, supplements and/or products (collectively "Website, Programs, Products and Services").

By purchasing or using the Website, Programs, Products or Services related to Thrive Nutrition LLC, you are implicitly agreeing to accept all parts of this Disclaimer. Information provided on or through this Website related to supplements, nutrition or life coaching services and other information are subject to change at any time without notice.

The materials contained on this website are provided for general information purposes only and do not constitute medical or other professional advice on any subject matter. Thrive Nutrition LLC does not accept any responsibility for any loss, which may arise from reliance on information contained on this site.

Some links within this website may lead to other websites, including those operated and maintained by third parties. Thrive Nutrition LLC includes these links solely as a convenience to you, and the presence of such a link does not imply a responsibility for the linked site or an endorsement of the linked site, its operator, or its contents (exceptions may apply).

Thrive Nutrition LLC is not a replacement for a medical doctor and encourages you to work with and receive advice from a doctor while you seek Thrive Nutrition LLC supplements, programs and services. If choosing to purchase supplements and if you are pregnant, nursing, or taking prescription drugs, consult your healthcare professional prior to use. Consult your physician before changing your diet or exercise routine.
