Year 5 applications for Secondary School 2018

Dear parents,

We have now entered the period in which you may be thinking about your child's choice of secondary school.

Please note the following arrangements and dates. Also included with this letter are some leaflets containing additional information.

- If you wish for your child to be assessed (11+) for a non-Catholic grammar school (Calday Grange, West Kirby, Wirral Grammar for boys, Wirral Grammar for Girls), you must register this at www.wirral.gov.uk/schooladmissions by **31st May 2017**
- If you wish for your child to be assessed for a place at Birkenhead High School Academy, St Anselm's College or Upton Hall, these schools have their own testing arrangements and you should contact the schools directly.
- For all other secondary schools, applications are made online at Wirral.gov.uk The application system opens **early September** and must be completed by **31st October 2017**.

More information from Wirral will be forwarded to you as it comes in.

Kind regards

Mr Turner
