Even without signature, all users must follow district policies and report any misuse of the network or Internet to a supervisor or other appropriate district personnel. Access is provided primarily for education and district business. Incidental personal use by staff should follow district policies and occur during duty-free time. By using the network, users have agreed to comply with district policies. If a user is uncertain about whether a particular use is responsible or appropriate, he or she should consult a supervisor or other appropriate district personnel.

Penalties for Improper Use (Section 5)

The use of a district account(s) and district information and communication systems is a privilege, not a right, and misuse will result in the restriction or cancellation of the account. Misuse may also lead to disciplinary and/or legal action for employees; including, dismissal from district employment, or criminal prosecution by government authorities. The District will attempt to tailor any disciplinary action to the specific issues related to each violation. Lost or stolen items due to neglect, deliberate damage, and/or incidental damage caused by neglect of district property require the completion of a damage report and may result in partial or full reimbursement to the District for losses resulting from a violation of this agreement.
