“I have LOVED online learning through Village Virtual. I knew it was perfect for me the moment I began my first class. I love how you get to do as many assignments a day as you want and how you can move as fast as you want.”

Online Learning . . . Inspiring & Motivating Students

“It was the best decision we made. Online learning has allowed my son to improve his weaknesses and master his strengths working at his own pace.”

Here's how we ensure success:

- Weekly progress reports to students, parents & schools
- Technical support
- Content support from certified online instructors
- Credit recovery that include options for testing out of content for which mastery can be demonstrated
- Engaging learning opportunities for **grade promotion, credit recovery, or summer enrichment**
- School approval of all enrollment requests
- Option for final exam proctoring at home with new virtual proctoring service
