Albany Golf Tournament 2017

The sun was out for The Irish American Partnership’s annual Albany Golf Tournament, held on Monday, June 12th. Participants enjoyed a competitive round of golf with friends at Schuyler Meadows Club.

The tournament came to a nail-biting end with a lively playoff between the Rose & Kiernan, Burke, Scolamiero, Mortati & Hurd, and Seymour Fox Memorial Foundation foursomes. After chip offs on both holes, the Burke, Scolamiero, Mortati & Hurd team came out victorious.

Special thanks to tournament Chairman Tom Tyrrell and Honorary Chairman Mayor Gerald Jennings, Mayor of Albany from 1993-2014. Their consistent support makes the tournament such a success year after year.

We greatly appreciate Denis Coker for performing the Irish and American national anthems and Rich Miller for closing out the awards reception with a powerful rendition of Danny Boy. Thanks also to Father David Lefort for offering the benediction.

Many thanks to Delta Air Lines for their generous sponsorship of the tournament.

THE IRISH AMERICAN PARTNERSHIP
DIRECT GRANTS TO SCHOOLS PROGRAM

WHAT IS THE PARTNERSHIP’S DIRECT GRANTS PROGRAM?
The Direct Grants to Schools program is at the heart of the Partnership’s work towards empowering the next generation of Irish youth. These modest grants are given straight to the schools for immediate use in procuring necessary supplies. Most direct grants go to small rural schools, but some benefit DEIS (disadvantaged) city schools.

WHAT ARE THE FUNDS USED FOR?
The funds are sent to schools to be used for library books and science materials, but they may also be used for other educational supplies on a case-by-case basis. Some schools, for instance, desperately need a school counselor or money to save their music program. We believe that the principals know their schools’ needs best, and are guided by their suggestions for funding.

WHAT IS THE AMOUNT OF THE GRANT?
The grants are modest in size but make a transformative impact on the schools they benefit. Grants range from $500-$10,000 depending on the size of the donor’s gift.

HOW ARE THE FUNDS TRACKED?
Principals are asked to answer a questionnaire with details about their school and how the funds are used. They are also asked to submit receipts and pictures of the purchased materials with students using them.

IF I MAKE A GIFT LESS THAN $500, CAN IT STILL BENEFIT A PARTICULAR SCHOOL OR COUNTY?
Yes! The Partnership will wait until enough donations come in for that county or school and pool the contributions to send a minimum of $500 directly to the school. We do this to ensure schools have enough funds to make a meaningful purchase that will benefit their students.

MAY I SUGGEST A SCHOOL FOR FUNDING?
Yes! The Partnership encourages donors to suggest schools for funding.

ARE NAMED SCHOLARSHIPS AVAILABLE?
Some donors wish to honor their ancestors with a named scholarship or annual gift to the school they attended. These are immensely appreciated by the schools and allow them to budget with the gift in mind, creating a sustainable impact. Scholarship programs can be crafted based on consultation with the school, donor, and Partnership staff. Named endowment opportunities are also available; please contact Mary Sugrue at mary@irishap.org or (617) 723-2707 for more information on these unique and impactful giving opportunities.

I AM VISITING IRELAND AND WOULD LIKE TO PRESENT MY GIFT TO THE SCHOOL. IS THERE AN OPPORTUNITY TO DO SO?
Yes, there is. The Partnership can help arrange a visit with the school you would like to fund. Please note that the Partnership needs to receive your gift before scheduling a meeting with the school.

The Albany golf Tournament has a legacy of generosity. Last year, the tournament supported 4 grants to rural schools across Ireland.
