

## **OUTDOOR RECREATION PARTNERS**

Public health: mental health, addiction treatment, PTSD (veterans)

Tourism

Native Corps

Industry partners: outdoor specialty retailers, manufacturers, guide services, equipment rental, wilderness lodges, air taxi services, campgrounds/RVers, cause/conservation oriented non-profits, motorized (boats, motos, snow machines, off road vehicles)

Energy industry

## **OUTDOOR RECREATION FUNDING IDEAS**

Head tax on visitors like cruise ships

Road tax Memorial to Labor Day

Quit misappropriating fees to other uses

Solicit private industry involvement in public land assets, initiatives

Fed Take Pride in America program

Boroughs can create trail service districts and levy property tax to pay; or as fees assessed new residential/commercial developments

Voter approved tax levy would reduce misappropriations; state constitution doesn't allow for designating taxes to particular uses

Another state used its Tobacco Settlement to benefit public health projects

Could/should power companies contribute to funding outdoor recreation

Crowdfunding

Revolving Loan Fund

Statewide Foundation like Anchorage Trails Foundation

Tax on sales of certain goods
