THIRD ANNUAL

Anatomy Boot Camp

July 23-24, 2019 | Seattle, WA

www.seattlesciencefoundation.org/bootcamp
**THIRD ANNUAL**

**Anatomy Boot Camp | July 23-24, 2019**

---

**Course Description**

Our Anatomy Boot Camp is an academic summer opportunity that uses hands-on learning for students with a strong interest in pre-med or medically related fields. It is strongly recommend that participants must be at least 16 years old and entering their junior or senior year in high-school. Current college or university students are also encouraged to attend. Students will have the opportunity to dissect real human cadaveric specimens. The course is designed to provide a fun and relaxed environment for all participants while learning the intricacies of the human body.

---
