**Local Community Foundation Grants**

**Berkshire Community Foundation** (Berkshire)
Name of Fund: **Vital for Berkshire Coronavirus Funding**
The Vital for Berkshire Coronavirus Fund provides grants of up to £5,000 to charities, community groups and other not for profit organisations who are either affected by or are supporting people affected by the Coronavirus pandemic. Funding will be available to help organisations respond better and will help meet needs arising as a result of the crisis. Priority will be given to organisations providing support to the most vulnerable and isolated, including: Older people; People with physical or learning disabilities; People with mental health needs; People on low incomes; Families with young children.
https://www.berkshirecf.org/

**Community Foundation for Buckinghamshire** (Buckinghamshire)
Name of Fund: **Heart of Bucks – National Emergencies Trust (NET) Coronavirus Appeal**
The fund has been established to support not-for-profit organisations who work for the benefit of Buckinghamshire residents (excluding Milton Keynes) with projects/activities that alleviate the effects of the Coronavirus pandemic in Bucks and support the most vulnerable in the community. Grants of up to £5,000 are available. To be eligible projects must benefit one or more of the following groups: People aged over 70, or living in a care setting; People with a weakened immune system or long-term health condition; People with a mental health condition; People who are isolated and with limited support networks; People who are on a low or insecure income; Volunteers assisting with the relief efforts in Bucks (including local ‘hubs’); Destitute refugees and asylum seekers staying in Bucks
https://heartofbucks.org/net-coronavirus-appeal/
Cambridgeshire Community Foundation (Cambridge and Cambridgeshire)
Name of Fund: Cambridgeshire Coronavirus Community Fund
The focus of the fund will be to offer community organisations emergency funding of between £1,000 and £5,000 to deal with emerging issues in the community, affecting older people (aged 60 and over) and other vulnerable people (high risk, pre-existing medical conditions), as a result of the continuing threat of Covid-19. This will include; the need for self-isolation, financial hardship, potential for hunger, lack of shelter, further exacerbation of health issues, loneliness and isolation of these people. The application process should take between 5 and 10 days.

Cheshire Community Foundation (Cheshire and Warrington)
Name of Fund: Covid-19 Response Programme
The Covid-19 Response Programme is open to applications from charitable organisations supporting the ongoing needs of disadvantaged and vulnerable people affected by the Covid-19 outbreak. Typical grants will be in the region of £2,000 and can be used for: Community response coordination to covid-19; additional volunteer costs; additional costs of working remotely; support for lonely and vulnerable people who are self-isolating and support in the wider community for foodbanks for families and vulnerable people and organisations working to combat child hunger.

Community Foundation (Tyne & Wear and Northumberland)
Name of Fund: Coronavirus Response and Recovery Fund
Through the Coronavirus Response and Recovery Fund, the Community Foundation and its partners will support local charities and community organisations across Tyne & Wear and Northumberland respond to the outbreak and recover from its impact. Grants will go to small, local charities and community organisations that have previously been supported by the foundation. Grants will be focussed on those who work directly with vulnerable groups or their carers.
https://www.communityfoundation.org.uk/coronavirusfund/#is-there-a-geographic-focus-for-this-fund

Community Foundation Wales
Name of Fund: Wales Coronavirus Resilience Fund
This fund has been established to assist groups and organisations providing services and support to individuals and families, whether singly or collectively, affected by the Coronavirus pandemic. Where funds allow they will provide support to counter the loss of contract income and fundraising for organisations providing support for vulnerable groups.

Cornwall Community Foundation (Cornwall)
Name of Fund: Emergency Fund
The Emergency Fund has been launched to support frontline organisations operating in Cornwall and the Isles of Scilly that are working with people who may be affected by the COVID-19 outbreak. Grants of between £500 and £3,000 are available to primarily support: the ongoing needs of vulnerable people to ensure that their health and wellbeing is maintained; activities that support vulnerable people self-isolating (the elderly, people with pre-existing medical conditions etc); foodbanks and organisations working to combat hardship caused by the pandemic including child hunger; Community response coordination; Volunteer costs for new and existing organisations
responding to the effect of the pandemic; Additional costs of working remotely and adapting services delivered in the wider community.

https://www.cornwallcommunityfoundation.com/grants/emergency-fund/

Cumbria Community Foundation (Cumbria)
Name of Fund: Cumbria COVID-19 Response Fund
The fund provides grants to charitable groups and organisations that are providing service and support to individuals and families affected by the Coronavirus pandemic. Grants are available to support the following: activities that help vulnerable people who are self-isolating; community response coordination; volunteer costs; additional costs of working remotely and adapting services delivered in the wider community; foodbanks and organisations working to combat child hunger; counter the loss of contract income and fundraising for organisations providing support for vulnerable groups.

https://www.cumbriafoundation.org/fund/covid19-response-fund/

Foundation Derbyshire (Derbyshire)
Name of Fund: Coronavirus Fund
The fund has been established to support community groups and organisations working to tackle the impact of the Coronavirus in Derbyshire. The initial focus of the fund will be to provide emergency grants of up to £1,000 to Food banks (that may be experiencing a fall in food donations and/or increases in demand) and befriending services, who will play a key role in helping those in self-isolation. Grants of up to £5000 are also available from the Coronavirus Response General Grants programme. This funding is available to community groups and infrastructure and front-line delivery organisations involved in the supply and delivery of food and/or services to those who are medically, socially or financially vulnerable. A small number or larger strategic grants are also available to organisations that have capacity to deliver the above on a multi-district/county wide basis

Devon Community Foundation (Devon)
Name of Fund: Devon Coronavirus Response and Recovery Fund
The Devon Coronavirus Response and Recovery Fund has been set up to support local charities and community organisations across Devon who are supporting vulnerable groups affected by the coronavirus outbreak. The fund will continue to evolve and currently supports the following: Groups that support the ongoing needs of vulnerable people to ensure their health and wellbeing is maintained; Groups that support vulnerable people self-isolating; foodbanks and organisations working to combat hardship caused by the pandemic including child hunger; Community response coordination; Volunteer costs for new and existing organisations; additional costs of working remotely and adapting services delivered in the wider community; Additional support as required for emotional support, mental health and bereavement support.

Dorset Community Foundation (Dorset)
Name of Fund: The Dorset Coronavirus Community Fund
The Dorset Coronavirus Community Fund aims to support local voluntary and community organisations that are helping vulnerable people impacted by the Covid-19 crisis; easing the immediate difficulties communities are facing and supporting their recovery over the coming weeks and months. Currently grants of up to £5,000 are available to charities, constituted community groups, CIC's, Social Enterprises and Parish/Town councils. Priority will initially be given to organisations supporting those most vulnerable to Coronavirus (the over 70’s and those with underlying health conditions) and food delivery services where at least 50% of beneficiaries fall within the most vulnerable
Essex Community Foundation (Essex)
Name of Fund: Coronavirus Response and Recovery Programme
Grants of up to £15,000 are available through the Essex Coronavirus Response and Recovery Programme to help voluntary and community organisations that are in crisis as a result of the pandemic and need emergency funding to keep vital services running. Priority will be given to those delivering vital services to older and vulnerable people, organisations helping to relieve pressure on public services and those co-ordinating a local community response.
https://www.essexcommunityfoundation.org.uk/grants/grants

Gloucestershire Community Foundation (Gloucestershire)
Name of Fund: Coronavirus Emergency Response Fund
The Gloucestershire Coronavirus Emergency Response Fund provides grants of up to £5,000 to charitable organisations and voluntary and community groups with charitable aims that are based and working in Gloucestershire. The initial focus of the fund is on providing emergency grants to coordinated volunteer programmes, and those picking up extra demand such as foodbanks, counselling services, advice organisations and befriending services, who will play a key role in helping the most vulnerable people in the community who have been impacted as a result of the virus.

Hampshire and Isle of Wight Community Foundation (Hampshire & Isle of Wight)
Name of Fund: We’re all together
The aim of the Fund is to effectively and efficiently support local voluntary and community organisations that are helping vulnerable people impacted by the Covid-19 crisis. Grants of between £1,000 and £20,000 are available to charities and community groups that support the ongoing needs of vulnerable people to ensure that their health and wellbeing is maintained; support of activities that relieve pressure on local statutory services, particularly emergency or health and social care provision, or compliment their response; support vulnerable people self-isolating (the elderly, people with pre-existing medical conditions etc); Support for foodbanks and organisations working to combat hardship caused by the pandemic including child hunger
http://www.hiwcf.com/funds/we-are-all-together-under-construction/

Heart of England Community Foundation (Coventry and Warwickshire)
Name of Fund: Coronavirus Resilience Fund
Constituted groups based in the West Midlands can apply for grants of up to £1,500 to help those most affected get the support that they need. The fund is open to groups who are providing (but not limited to) the following services: Food banks or social eating projects; Delivery of emergency food/medicine parcels to those isolated due to the virus; Street pastors or those engaging in outreach activities; Befriending services supporting the elderly or vulnerable through isolation.
https://www.heartofenglandcf.co.uk/coronavirus-resilience-appeal/

Heart of England Community Foundation (Coventry and Warwickshire)
Name of Fund: Coventry 2021 Coronavirus Resilience Fund
The Coventry 2021 Coronavirus Resilience Fund has been created to support those artists across Coventry and Warwickshire that have been hit the hardest by the cancelling of public events. Funding of up to £1,000 is available to arts organisations and grants of up to £500 are available to individual artists. Organisations will need to provide details about the impact that Covid-19 has had on their work. As an individual artist evidence of cancellation of work or proof of loss of earnings will be required.

https://www.heartofenglandcf.co.uk/coventry-2021-coronavirus-resilience-fund/

Heart of England Community Foundation (Edgbaston & Northfield)
Name of Fund: **Edgbaston and Northfield NNS Coronavirus Response Fund**
The aim of the fund is to provide grants of up to £10,000 to constituted organisations working actively within the wards of Edgbaston or Northfield, as defined by the Parliamentary Constituency boundaries. Grant allocations will be for community-based support required as a consequence of the COVID-19 outbreak.

https://www.heartofenglandcf.co.uk/nnscref/

Herefordshire Community Foundation (Herefordshire)
Name of Fund: **NET Coronavirus Appeal Fund**
The NET Coronavirus Appeal Fund has been created to provide grants of up to £5,000 to Voluntary and community organisations including registered charities, CIO's, CIC's and parish and town councils that are supporting vulnerable members of the community during the Coronavirus crisis. The funding aims to help organisations that support the ongoing needs of vulnerable people to make sure health and well-being are maintained; relieve pressure on local statutory services; support vulnerable people self-isolating; Foodbanks and organisations working to combat hardship caused by the pandemic, including child hunger. Organisations or informal groups that have been specifically established to respond to the crisis.

https://www.herefordshirecf.org/

Hertfordshire Community Foundation (Hertfordshire)
Name of Fund: **Coronavirus Relief Fund for Hertfordshire**
The Coronavirus Relief Fund for Hertfordshire will provide grants of up to £2,000 to charities and community groups working with those considered to be most vulnerable during the Covid-19 outbreak. The programme will adapt to the needs of the communities as they change in response to the outbreak. Currently the focus is to provide emergency funding. Priority for funding will be given to organisations providing services and support to older and vulnerable people as well as those with low and insecure incomes. Applications are also welcomed from groups applying to support people of all ages with mental health issues.

http://www.hertscf.org.uk/coronavirus-disaster-relief-fund-appeal

Kent Community Foundation (Kent)
Name of Fund: **Coronavirus Emergency Fund**
The Emergency Fund for charities affected by Coronavirus will give priority to constituted community groups e.g. charities/CIC’s with an average annual income of less than £200,000, who are supporting isolated older people. The focus of the fund will be to offer community organisations emergency funding to deal with emerging issues in the community, affecting older people, as a result of the continuing threat of coronavirus, and the need for self-isolation, and potential for further exacerbation of loneliness and isolation of these older people. Grants of up to £10,000 are available.

https://kentcf.org.uk/funding/Coronavirusemergencyfund
Leicestershire and Rutland Community Foundation (Leicester, Leicestershire and Rutland)
Name of Fund: Coronavirus Support Fund
The Coronavirus Support Fund provides grants of between £500 and £2,500 to constituted charitable and community organisations in Leicester, Leicestershire or Rutland, working with local people facing the most hardship in the pandemic. Priorities of the fund at this stage are for organisations providing direct services for: Older people (over the age of 70) adversely affected by the pandemic; Vulnerable people with medical conditions adversely affected by the pandemic and people who are isolated and lack a support network.
https://www.llrcommunityfoundation.org.uk/apply-for-funds/coronavirus-support-fund-net/

Leicestershire County Council (Leicestershire)
Name of Fund: Leicestershire Communities Fund 2020
The Leicestershire Communities Fund provides funding of between £5,000 and £25,000 to charities, constituted voluntary and community organisations and social enterprises to help them support vulnerable people in Leicestershire due to the impacts of the current Coronavirus pandemic. The type of activities that can be supported include but are not limited to: core organisational running costs; additional staffing capacity; funding for essential capital equipment such as ICT equipment, safety equipment e.g. PPE; The need to rapidly adapt current service delivery models to maintain contact with service users.
https://www.leicestershirecommunities.org.uk/leicestershire-communities-fund.html

Mayor of London together with the Corporation of London and the City Bridge Trust (London)
Name of Fund: London Community Response Fund
The City Bridge Trust is one of a number of funders that have come together to provide the London Community Response Fund. The focus of the first wave of funding will be to provide grants of up to £5,000 for food and essentials to London’s Civil Society organisations. There will be a second wave of funding for larger grants, service transformation costs, and ongoing work to support communities.
https://londoncommunityresponsefund.org.uk/

Milton Keynes Community Foundation (Milton Keynes)
Name of Fund: MK Emergency Appeal Fund
The MK Emergency fund has been launched to provide grants of up to £2,000 to Charities, Community groups and other not for profit organisations operating in the Milton Keynes area, that have either been affected by COVID 19 or that are supporting people directly affected by the virus. Support is available for: activities that help vulnerable people; community response coordination, volunteer costs, foodbanks and organisations working to combat child hunger and poverty; core costs for organisations providing support to vulnerable groups; domestic abuse organisations during self-isolation periods.
https://www.mkcommunityfoundation.co.uk/mk-emergency-appeal-criteria

One Community Foundation (Kirklees)
Name of Fund: The NET Coronavirus Emergency Fund
The NET Coronavirus Emergency Fund has been created to provide grants of up to £1,000 to the organisations helping those most affected by the Covid-19 crisis. Funding is available to support the following types of activities: support the on-going needs of vulnerable people to ensure that their health and wellbeing is maintained; support of
activities that relieve pressure on local statutory services, particularly emergency or health and social care provisions, or compliment their response; Groups and activities that support vulnerable people self-isolating (the elderly, people with pre-existing medical conditions, etc.); Support for food banks and organisations working to combat hardship caused by the pandemic, including child hunger.

https://www.one-community.org.uk/looking-for-funding/coronavirus-emergency-fund.php

The Moondance Foundation (Wales)
Name of Fund: Covid-19 Relief Fund
The Covid-19 Relief Fund has been created to help Welsh charities continue with their operations during the Covid-19 crisis. Funding is available to registered charities working in Wales to help with any of the following: Staff Retention; Current activities and services in jeopardy; Evolution of services to adapt to the current crisis. Moondance encourages only those who are truly in need to apply.

https://www.moondancecovid19relieffund.com/

The Community Foundation for Northern Ireland
Name of Fund: Coronavirus Community Fund
The Coronavirus Community Fund provides grants of between £1,000 and £10,000 to constituted community organisations throughout Northern Ireland. The current focus aims to supports groups working with the following communities and issues that are affected by coronavirus: Isolated older people (aged over 50); as well as those people of all ages who are at increased risk, particularly in relation to poor mental health and wellbeing; and vulnerable isolated people and families, particularly those living in rural areas.

Quartet Community Foundation (Bristol, Bath & North East Somerset, North Somerset and South Gloucestershire)
Name of Fund: Coronavirus Response Fund
The Coronavirus Response Fund is available to small voluntary and community groups with charitable aims that are working in Bristol, Bath & North East Somerset, North Somerset or South Gloucestershire. The following activities will be a priority for this grant programme: Direct and immediate practical support for vulnerable groups; Volunteer capacity to organisations delivering support to the above groups; Providing the above groups with access to necessary resources; Initiatives to reduce isolation and vulnerability. Grants of up to £5,000 are available for single organisations and up to £20,000 for partnerships.

https://quartetcf.org.uk/grant-programmes/coronavirus-response-fund/

Scottish Council for Voluntary Organisations (Scotland)
Name of Fund: Third Sector Resilience Fund
The Third Sector resilience fund provides grants of between £5,000 and £100,000 to provide emergency support for charities, community groups, social enterprises and voluntary organisations working in Scotland. The fund supports organisations which already deliver services and products but find themselves in financial difficulty as a result of the current COVID-19 pandemic. The fund aims to help provide finance to stabilise and manage cash flow during these challenging times. Interest free loans will also be available.

**Foundation Scotland (Scotland)**
Name of Fund: **Community Response, Recovery and Resilience Fund**
The fund has been created to support local charities and grassroots organisations across Scotland to help them respond to the outbreak of the coronavirus pandemic and recover from the impact. Immediate funding of between £1,000 and £5,000 is available to support constituted community groups and charities that are responding to the coronavirus pandemic in their local community. Examples of the type of support available include: mobile phone credit for a youth service provider to give to vulnerable young people so they can stay in touch; supermarket vouchers for foodbanks to hand out in place of goods as their stock becomes limited; additional cash to allow a community run shop to purchase extra stock so they can remain open or add a delivery service.

https://www.foundationscotland.org.uk/programmes/community-response,-recovery-resilience-fund/

**Steve Morgan Foundation (North Wales, Merseyside, Cheshire and North Shropshire)**
Name of Fund: **Covid -19 Emergency Fund**
The Covid-19 Emergency Fund has been introduced to support charities and not for profit organisations in Merseyside, North West and Cheshire (west of the M6). The fund will provide help with the costs of additional emergency services to support people affected by the virus, it will also help charities experiencing a loss of fundraising revenue to stay in business.

https://www.tfaforms.com/4811567

**Community Foundation for Surrey (Surrey)**
Name of Fund: **Coronavirus Response Fund**
The Coronavirus Response Fund will support community and voluntary groups assisting in the relief effort. Grants of up to £5,000 will be made available to support: Enabling the delivery of services to vulnerable people; Providing information, advice, counselling and other support and community services; Essential running costs; Enabling organisations to deliver differently. Priority will be given to voluntary organisations providing support to the most vulnerable and isolated, including: Older people; People with disabilities; People with mental health needs; People on low incomes; and Families with young children.

https://www.cfsurrey.org.uk/surreycoronavirusresponsefund/

**Sussex Community Foundation (Sussex)**
Name of Fund: **Sussex Crisis Fund**
The Sussex Crisis Fund will provide emergency grants of up to £5,000 to support the community and voluntary sector in response to the coronavirus outbreak. The fund aims to address the emerging needs facing communities and the charities and community groups that support them.

https://sussexgiving.org.uk/apply-for-grants/how-it-works/

**Two Ridings Community Foundation** (York, North Yorkshire, the East Riding of Yorkshire and Hull)

**Name of Fund: Coronavirus Community Fund**
The Coronavirus Community Fund will provide grants of up to £2,000 to support community groups based in North Yorkshire, York, East Riding of Yorkshire or Hull. Priority will be given to organisations supporting those most vulnerable to meet needs that have arisen as a result of the current crisis including older people, people with long term health conditions, people with mental health difficulties, people affected by homelessness and other groups who are particularly vulnerable at this time. Within this, currently, priority will be given to groups undertaking food and medicine deliveries.

**Youth Scotland** (Scotland)

**Name of Fund: Youth Scotland Action Fund**
Youth Scotland’s Action Fund has been established to help youth groups and youth workers meet the needs of young people in response to the Covid-19 Coronavirus. The purpose of this fund is to enable youth groups to purchase essential items that will enable them to continue working with young people throughout this period of social distancing and restrictions. Grants of up to £500 are available.

https://www.youthscotland.org.uk/programmes/youth-scotland-action-fund/
