## TREE ASSEMBLY INSTRUCTIONS

PRO TIP: IF YOU CAN...PRINT EVERYTHING ON THICKER PAPER.

IT'S MOST IMPORTANT FOR THE TREETOP LEAVES. IF YOU'VE RUN OUT OF CARD STOCK, SIMPLY GLUE THE COLORED LEAVES TO SOME CEREAL BOX CARDBOARD OR CONSTRUCTION PAPER TO MAKE IT STRONGER SO IT CAN STAND UP ON IT'S OWN.

MAKE TWO SMALL HALF INCH CUTS DOWN THE SIDE OF THE CARDBOARD TUBE, AND SLIDE THE TREETOP LEAVES DOWN INTO THOSE SLOTS.

YOU CAN EITHER WRAP YOUR CARDBOARD TUBE WITH CONSTRUCTION PAPER, OR PAINT IT TO LOOK LIKE A TREE TRUNK.
