2. OUR CONTRACT WITH YOU

- 2.1 3G will take orders for Products and Services placed by you through our authorised agents, resellers or representatives subject to the terms of this Agreement.
- 2.2 Before an order is placed 3G will email you a quote confirming the details of Your order including the price of the Products and Services. Once You have placed an order, You will receive an email acknowledging the details of Your order. This email is not 3G’s acceptance of Your order, but confirms that 3G has received Your order. All orders are subject to acceptance and availability.
- 2.3 3G will notify You by email if any Product is unavailable and offer an alternative item or a full refund. You may also be given the option of pre-ordering and purchasing Products in advance if they are out of stock. Pre-ordering will ensure that you receive the Products in priority to other customers once the Products have been delivered to 3G. Alternatively, you may choose to register your email address for notification of arrival of the selected Products. If 3G is unable to deliver pre-ordered Products for any reason, 3G will notify You by email and offer a full refund.
- 2.4 Subject to clause 2.6, receipt of full payment of Your order by 3G is evidence of 3G’s acceptance of Your order, and a binding and enforceable agreement between You and 3G. This Agreement can only be modified by written agreement between You and 3G. Neither 3G’s third party payment processor nor its nominated Carrier has the authority to accept an order on behalf of 3G. Once Your order has been accepted by 3G, and the contract between You and 3G has been completed, You will receive a second email containing a tracking number, confirming that Your order has been dispatched unless an agreement has been made with our representative to deliver your order in person.

- 2.5 The Products are at your risk upon dispatch from 3G. 3G will not be liable for any loss or damage to the Products in the course of transit.

Even where payment has been received by 3G, 3G is not obliged to accept or fulfil orders for Products and Services advertised at an incorrect price. 3G will let You know as soon as possible if it discovers an error in the pricing of Products and Services which You have ordered, to inform You that 3G has not accepted Your order and that the relevant part of Your order has been cancelled. If You have already paid for the Products and Services, 3G will refund the full amount as soon as possible. If the Products have already been delivered, 3G will process your refund once You have returned the Products in the same condition in which you received them.
