3. Financial Information Grid

The grid is an Excel spreadsheet which you will find in a separate file. The purpose of this grid is to help us better evaluate your financial health through the calculation of certain financial ratios. We tried to keep this grid simple by asking you to enter data from your most recent audit. If you do not have an audit, use unaudited financial statements from your most recently completed fiscal year. The grid should take about 15 minutes to complete.

When you open the file, click on the first tab labeled "INSTRUCTIONS", where you will find information on the grid and how to save it. If you wish, this page can be printed in "landscape" format on one page for your reference. Then, proceed to the "Financial Grid" tab to fill in your data.

Please remember to save the file and include it in your proposal package.

4. Attachments:

- o IRS 501(c)3 letter of determination
- o Board of Directors list (including affiliations)
- o Contact information including contact name(s), title(s), address, telephone, email and fax.

5. For organizations who received a grant in the last funding cycle:

Provide a 2-3 page narrative report describing activities from the past grant period. Include discussion on the past year's programs, administration, finance, and other significant events including challenges and opportunities.

Deadline and Submission Process:

We must receive your proposal by email. All proposals must be emailed as a zip file to: khettich@alphawood.org.

Please note that we can longer accept proposals that are hand-delivered or sent by regular or overnight mail.

A zip file is a file that contains one or more files that have been compressed into the ZIP format to reduce file size. To create a zip file, select all the files or folders you want to compress by pressing the "Ctrl" key and clicking on each one in turn. Then, right-click the selection and navigate to the "Send to" option. Click "Compressed (zipped) folder" option and your ZIP file will be created.
