City Dance Studio presents an intensive dance program this summer. The intensive is an exciting and rigorous program designed for serious dancers at an intermediate level focused on maximizing their talent and performance skills. Students participating in the program will enjoy daily training focusing on the elements of movement technique, dance expression and music appreciation.

Our own experienced and award-winning dance educators and our guest teachers will challenge dancers with a technically and physically demanding curriculum. The program will highlight a broad range of disciplines, which include ballet, pointe, jazz, modern, African, freestyle, Pilates and tap and will also include aspects of dance and performance production, choreography, injury prevention, nutrition, and conditioning.
