

MARCHING BAND COMMITMENT FORM

The Prospect High School Marching Knights are looking forward to an exciting competitive season this fall (please refer to the enclosed calendar overview). In order to properly plan and receive our instructional materials in time for summer, we *must* know the number of marching musicians in each section. Please take a few minutes to review the enclosed calendar overview and fill out the information below. In addition to the time commitment, there is also a financial commitment to include band camp as well as the fall competition fees. This cost covers travel expenses, instructional fees, show design costs, and other costs associated with the band. There are a number of fundraisers available to help families offset the cost. The boosters have a payment plan set up to help families budget easily. This fee will be determined later in the Spring.

The band will also be traveling to New York City in November to perform in the Macy's Thanksgiving Day Parade, and we'd love to have you take part in that trip. Note: participation in the Macy's trip is not required for band members, but we hope you'll join us on what will be an exciting and memorable trip! **Each and every member of the ensemble makes a difference and your participation is important to the program!**
