Oath of Enlistment in the ConFree Legion

I am a soldier of the Legion. I believe in Evil – the survival of the strong and the death of the weak. I am the Guardian. I am the sword of light in the dark of the night. I will deliver us from Evil.

I accept life everlasting and the death of my past. I will trust no Earther worm nor any mortal man, but only the mark of the Legion. I have burnt the book of laws to serve the Deadman's cause as a soldier of the Legion.

I am the slave of the future, at the gateway to the stars. Where I can see – eternity. For I walk in the shadow of death and yet I fear no evil, for I am the light in the dark, I am the watch on the mark, I am a soldier of the Legion.

I will have no talk with Evil. The arts of death are the tools of life. And in the end I will send a maxburst to advise the O's come by surprise, and though we kill them where they stand we know it's death's dark land, for a soldier of the Legion.

I solemnly swear that I will support and defend the people of the Confederation of Free Worlds against all enemies, foreign and domestic, that I will bear true faith and allegiance to the same, and that I will obey the orders of all officers appointed over me, on penalty of death.
