

SUSTAINABILITY MISSION STATEMENT

SELEE Corporation is fully committed to the reducing our environmental footprint while maintaining an unparalleled ability to deliver superior products and services to our customers.

At SELEE®, we realize that our commitment to sustainability, and the highest quality products and services, is also important to our customers. Our commitment to sustainability allows our valued customers to experience less environmental impact related to the purchase of SELEE's products and services.

As a company, SELEE® ensures its own sustainability through a variety of manufacturing initiatives, on-going employee education and incentive programs, and several community out-reach programs designed to improve the environment where we work and live.

We are proud to claim that everyone at SELEE® is fully involved in promoting, implementing, and living our corporate commitment to sustainability.
