## **Ownership and Scope:**

This policy and procedure document to address concerns and complaints has been developed in collaboration with parents and the school community.

**Expectations:**

The school expects a person raising a concern or complaint to:

- Do so promptly, as soon as possible after the issue occurs
- Provide complete and factual information about the concern or complaint in writing
- Maintain and respect the privacy and confidentiality of all parties
- Acknowledge that a common goal is to achieve an outcome acceptable to all parties
- Act in good faith, and in a calm and courteous manner
- Show respect and understanding of each other's point of view and value difference, rather than judge and blame
- Recognise that all parties have rights and responsibilities which must be balanced.

The school will address any concerns and complaints received from parents:

- Courteously
- Efficiently
- Fairly
- Promptly, or within the timeline agreed with the person with the concern or complaint in accordance with due process, principles of natural justice and the Department's regulatory framework.

**Raising Concerns and Complaints:**

In the first instance, a complaint should be made to the school. Every effort will be made to resolve the complaint at the school level. Mediation is encouraged if a situation presents where resolution proves difficult. DEECD also supports resolution of complaints at school level. DEECD information for parents on raising concerns and complaints can be found at <http://www.education.vic.gov.au/about/contact/pcschools.htm>

The complainant should telephone, visit or write to:

- The student's teacher or home group teacher about learning issues and incidents that happened in their class or group
- The year level coordinator if students from several classes are involved
- The Assistant Principal about issues relating to staff members or complex student issues
- The Principal about issues relating to school policy, school management, staff members or very complex student issues.
- School Council members about general concerns. Complaints can be made to Council members in person or via email [Eltham.east.ps@edumail.vic.gov.au](mailto:Eltham.east.ps@edumail.vic.gov.au)

For contact details of any staff member, call the office on 9439 9793. If you are not sure who to contact, contact the Assistant Principal on 9439 9793 and you will be directed to the appropriate person.

**Help with Raising Concerns or Complaints:**

Personal support is most appropriate in situations where the complainant and others involved in the complaint process have emotional issues related to the complaint.

Complainants can seek the services of a support person when they feel they are unable to express their concern clearly. A support person can be a friend or someone who is available through an appropriate support organisation who does not receive a fee for service.

Appropriate support organisations include the *Dispute Settlement Centre Victoria* <http://www.disputes.vic.gov.au>. Services provided by this organisation are free and confidential. All parties involved in addressing a complaint may seek the services of a mediator when there is difficulty coming to an agreement.

All complainants are to be made aware of these supports. A complainant who wishes to use these support services should ensure the person addressing the concern or complaint is aware of their intention and is in agreement.

### **Managing Parent Concerns and Complaints Information:**

The following details of all complaints received, even if the complaint appears to be minor will be recorded:

- Name and contact details (with permission) of the person with a concern or complaint
- The date the concern was expressed or complaint made
- The form in which the concern or complaint was received (such as face-to-face, by telephone, in writing, by email)
- A brief description of the concern or complaint
- Details of the school officer responding to the concern or complaint
- Action taken on the concern or complaint
- The outcome of action taken on the concern or complaint
- Any recommendations for future improvement in the school's policy or procedures.

However, in the first instance, when the complaint is easily resolved in a telephone call, a brief note in the school's/principal's/teacher's diary recording the issue and the resolution may be all that is required.

Please note that the school community strongly encourages parents raising concerns and complaints to give their name and contact details when making a complaint. Anonymous complaints are often difficult to fully investigate, and also raise natural justice issues. Respondents have a right to know the particulars of the allegations made against them.

### **Addressing Concerns or Complaints:**

In addressing concerns the school will:

- Give a complainant a copy of its complaints procedures.
- Ensure that all complaints will be noted and acted on promptly by the staff member who receives the complaint.
- Acknowledge all complaints made in writing. It will provide the complainant with a timeline for investigating the complaint.
- Determine whether a concern or complaint should be managed through the school's concerns and complaints process or through other complaints processes of the Department.
- Make every effort to resolve concerns and complaints before involving other levels of the Department.

All complaints will be responded to.

Concerns and complaints about general school matters (such as the timing of events, school policies and facilities) will be addressed by the Principal or a relevant staff member.

The school will make every attempt to resolve a concern or complaint as quickly as possible. If your complaint involves many students and a range of issues, the school will need more time to investigate and resolve it.

Should the complaint involve complex issues, the school might need to take advice from the Department's regional office which may take more time. The school will tell the complainant the new timeline for addressing the complaint and the reasons for any delays. In all cases, the school will try to resolve a concern or complaint within 20 school days.

If a concern or complaint is substantiated in whole or part, the school and the complainant will agree on an appropriate outcome. For example, depending on the circumstances, the school might offer:

- An explanation or further information about the issue
- Mediation, counselling or other support
- An apology, expression of regret or admission of fault
- To change its decision
- To change its policies, procedures or practices
- To cancel a debt (such as for school payments)

- A fee refund.

The school will implement the agreed resolution as soon as practicable.

#### **Referral of Concerns or Complaints:**

If all avenues to resolve the concern or complaint have been exhausted and the complainant is not satisfied with the outcome determined by the school, they should contact DEECD's Regional Office (Northern Metropolitan Region) on 9488 9488.

Where relevant, the officer from Northern Region will ask the complainant for a complete and factual account in writing of the concern or complaint and the complainant's opinion about why the school did not resolve it to their satisfaction.

If the complaint cannot be resolved by the complainant, school and regional office working together, the regional office may refer it to the Department's Group Coordination Division. The Division will ask the complainant for a complete and factual account in writing of the concern or complaint and the complainant's opinion about why the school and regional office did not resolve it to their satisfaction and will ask the complainant to outline their view on the course of action required to resolve the complaint.

Where the complainant is unable to provide a written account the officer from Group Coordination Division should act on the information provided.

#### **Communication and Training:**

The school will make this information about procedures for addressing concerns and complaints readily available to parents and the school community, in clear and easy-to-understand language and, where appropriate, in a range of community languages and formats that are accessible to everyone so that no-one is disadvantaged.

The information will include:

- How a person can make a complaint
- The person's responsibilities
- Information to be provided by the person

- Provide staff with (or provide access to) training and support appropriate to their responsibilities under the procedures

#### **Monitoring the Parent Complaints Policy:**

The school will monitor parent concerns and complaints and consider issues raised through the parent complaints process, and any other relevant information from the parent opinion survey, when undertaking a review of the school's policies, procedures and operations.

The school will review its information about complaints made over time to:

- Identify common or recurring issues that may need addressing

- Assess the effectiveness of these and other procedures and whether they are being followed
- Use information provided to the school through the parent opinion survey on the views of parents.
