

A park in the sky
Built by the community
For the community

Canada's first Elevated Park opens
in 2017 and you can play a part in it
Your contributions will build this park section by section,
and the community will be forever grateful.

— ST. THOMAS —
ELEVATED PARK

Sponsor a piece of the Elevated Park

We have laid out the park into several equal parts which can be sponsored. Each section is 8' by 16' and includes decks and railings or green space. Your sponsorship is commemorated by a stainless steel plaque featuring your family or company name. This is a timeless gift to your community.

Donation of \$2,500.

Qualifies for a charitable tax receipt.

Perhaps you prefer to sponsor an all-metal park bench with your family name or company name on an engraved plaque.

Donation of \$2,000.

It will take a community to build this park

We've made it easy for you, your family, your group or your business to participate in the building of Canada's first Elevated Park.

Donations at all levels qualify for a charitable tax receipt issued through our partner, the Elgin St. Thomas Community Foundation. In addition, we have many opportunities for you to make a special investment in this project and receive public recognition in return, such as sections of the decking or park benches.

Construction begins this spring. Don't delay.

A PROJECT OF ON TRACK ST. THOMAS

Supporting the Elevated Park is easy, and tax deductible

Circle one or more of these three simple options and we'll do the rest.

1	Sponsor an 8' by 16' section of the bridge deck. Your support will be recognized with a laser cut, stainless steel plaque showing your family or company name. Choose your option: <input type="checkbox"/> Section of wooden decking, including fencing system <input type="checkbox"/> Section of landscaping, including native trees, shrubs, ground cover and associated planters	\$2,500
2	Sponsor an 8' solid steel park bench. Your support will be recognized with an imprinted metal plaque applied to the back of the bench, showing your family or company name.	\$2,000
3	I wish to make a cash donation, in the amount specified, to be used for general costs associated with building the St. Thomas Elevated Park. Amounts of \$2,000 and over will be acknowledged on a special plaque at the Eastern entrance to the Elevated Park.	\$
