Little Bow Print

Wedding Invitation Check List

We have designed this checklist to help you stay organised with an important part of the wedding process, the writing, posting and keeping track of your wedding invitations! Print out this pdf and each time you write an invite, add the quests name. Then check off the name when the invite is put in the post, when a reply is received and if the guest has indicated they will be attending.

Guest Name (S)	Written	Posted	Replied	Attending
