This strong legacy continues with pride and commitment to our wonderful and loyal customers. We use only the freshest and finest ingredients in preparing dozens of specialties each day.

We are known for our custom made sandwiches on delicious breads. We make fresh salads, meats, entrées, paninis and international foods. Ted's offers hot breakfast sandwiches and homemade comfort food, like meatloaf, baked potatoes, salmon, chicken parmesan and much more. We grind and brew excellent coffee and sell liquor, beer, wine and a wide array of beverages and sodas. Ask us to cater your business meetings, parties, picnics, back stage crew and other events, Monday - Saturday.
