

Outdoor Adventure Counselor

C5 Youth Foundation Of Southern California

C5 Youth Foundation of Southern California is a five-year leadership development program. C5LA recruits high-potential, socio-economically disadvantaged youth from under-resourced areas of Los Angeles and provides resources, support, opportunities and experiences that enable them to realize their potential so they may actively seek higher education and grow into tomorrow's leaders.

The first year experience is at Camp Paintrock in Wyoming where in-coming freshmen travel far from home and far out of their comfort zones. At camp students gain new experiences, and learn leadership skills through high adventure activities including, horseback riding, rappelling, camping and aquatic activities.
