

## **Class of 2021 Bridges Program Commitment**

Dear C5LA Leaders & Families,

In the Summer of 2018, you will have the opportunity to participate in the Bridges Summer Experience. This second summer program is a backpacking trip with the National Outdoor Leadership School. The location will be determined in the coming months. The backpacking portion will be 7 days, with the entire trip lasting approximately 10 days. Dates are not yet set but there will be 2 sessions within the following date range: 06/10/2018 - 07/30/2018. Your trip will only be approximately 10 days of this date range.

The Bridges Program is one of the most impactful and amazing opportunities that C5LA offers. It is also one of the most expensive components of C5LA. **In order for you to attend the Bridges Program, you must show a commitment to the experience and to C5LA.** We cannot afford to lose money because you are unable to attend the summer experience. Therefore, you must do the following to be able to attend the Bridges Program in the Summer of 2018:

- 1) Return Page 2 of this document signed by you (the C5LA leader) and a parent/guardian.
- 2) Call the C5LA Office 323-686-4214 to confirm that you will attend the experience AND have a parent/guardian call the C5LA Office to confirm that you will attend the experience.
- 3) Submit to C5LA a letter from an administrator (counselor/assistant principal/dean) at your current school that states you are in good academic standing and will be free during the Summer of 2018 (from 06/10 to 07/30).

**You must do all of the above by December 9, 2018**
