## ATMOSPHERES – Lucy Grimble

Key D major

### Verse

A E/G# Bm A  
Lets fill this city with the songs of Heaven  
A E/G# Bm A  
Our joyful noise makes the darkness flee  
A E/G# Bm A D E  
As we praise him we establish a place for his glory  
A E/G# Bm A  
Lets join the angels as we really come to worship  
A E/G# Bm A  
Our lives abandoned to the father's call  
A E/G# Bm A D E  
With a hunger to see Jesus lifted high over all

### Chorus

D E F#m Bm  
Because our worship changes atmospheres  
Bm A E D  
That's why we'll never stop praising you  
D E F#m Bm  
And if you turn the clock ten thousand years  
Bm A E D  
You'll still find me here before Your throne

### Bridge

A E/G# Bm A  
I'll open up, I'll open up my heart now  
A E/G# Bm A  
I'll let you in to my deepest part  
A E/G# Bm A  
And as you change me from glory to glory  
A E/G# Bm A  
I'll understand more of who you are

### Bridge 2

A E/G# Bm A  
And the more I see the more I grow to love you

So many reasons to pour out my praise  
A E/G# Bm A
