Your Personal Roadmap

Your divorceGPS Tracker (separate document)

Hi John,

Welcome to your divorce roadmap, which will help guide you step-by-step through your divorce. This navigation system will allow you to efficiently and productively arrive at your destination, reducing your stress along the way. Please contact us at conciierge@divorceify.com if you wish to speak with our live divorce concierge at any point along the way.

Your roadmap contains five key strategic components:

- ❖ **Your budget analysis**
- ❖ **Your recommended divorce process**
- ❖ **Types of professionals you should hire**
- ❖ **Recommendations for vetted professionals near you**
- ❖ **Strategic preparation for meetings with your professionals**

Finally, we've provided your own divorceGPS tracker so you can stay on top of your to do list and keep track of decisions you've made as you navigate your roadmap. Now let's get started!

Sincerely,

Sonia

YOUR PROFILE SNAPSHOT

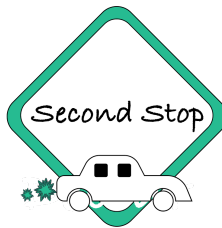

This section will provide you with your relevant information that you've provided us so you can view your personal, financial and family profile in one easy to digest snapshot.

YOUR DIVORCE ASSESSMENT

The exact cost of divorce is almost impossible to predict.

However, understanding potential costs and how your personal circumstances may influence those costs, will allow you to effectively manage your divorce budget. **Based on the information you've provided, this section will help predict the expected tone and cost of your divorce and teach you about cost influencers and how to avoid budget bumps in the road.**

YOUR OPTIMAL DIVORCE PROCESS OPTIONS

Selecting the right process for your specific circumstances will make your divorce more efficient and cost-effective.

In this section, we describe several suggested processes based on your specific circumstances for you to consider, allowing you to make an informed choice for your next steps forward. In this section you will also have an opportunity to read in detail about what each process entails and why that process was specifically recommended for you, as well as, key pitfalls to watch out for when choosing each process.

YOUR PROFESSIONALS

Optimize your divorce process by building the right team of professional support. Hiring professionals across different disciplines will allow you to have a more efficient and cost-effective experience.

This section will teach you about the different types of professionals you might want to hire based on your unique situation. It will also recommend which professionals you might want to consider hiring based on your specific circumstances.

MEET YOUR RECOMMENDED PROFESSIONALS

Finding professionals that fit your budget, goals, and needs is crucial for a successful divorce process. Shopping for professionals though is hard, time consuming, and confusing--simply put, there is no transparency in the process.

In this section we will match you with up to 3 professionals in each recommended category to help kickstart your shopping process. You will learn about each professional in your match, and even have the chance to speak with them during your complimentary 15 minute phone introduction!

DOCUMENTS YOU SHOULD COLLECT

Don't waste billable hours being told which documents you need to collect, which documents are missing, and being hounded to gather them.

Based on the information you provided we will create a list of documents specific to your circumstances that we recommend you collect before meeting with your professionals. This section will help you get organized and stay on top of your to do list!

Get Focused & Next Steps

This section will help guide you on your next steps to stay focused and on track as you make decisions.
