

Children born of War in Australia

Dr Victoria Grieves, Catriona Elder, University of Sydney and Karen Hughes, Swinburne University of Technology, have been successful in receiving a grant to research the phenomenon of children born of war in Australia over the next three years. The project Children of War: Australia and the War in the Pacific 1941-1944, is supported by an Australian Research Council Discovery Indigenous Project grant, and commences in 2014.
