**What is a Celebrity Waiter Dinner?**

This is a fantastic fundraising event designed to bring the “celebrities” in our community together to have fun while raising money for a great cause.

Celebrity waiters are recruited to wait on a table of eight guests. Waiters choose their guest list and each guest is encouraged to “tip” the waiter for items needed to enjoy their dinner. All tips then benefit the Plaquemines Community CARE Center.

**What can I do?**

We are looking for waiters who are willing to have a good time, wait on a table of eight of your friends and family members, and want to contribute to our mission to provide services to children, victims, seniors, and people with disabilities in Plaquemines Parish. The CARE Center is celebrating 11 years of service to Plaquemines Parish.

**If I am a waiter, what will I be responsible for?**

As a celebrity waiter, you will be responsible for selling or purchasing your table of eight dinner tickets to the event at \$50 each, for a total of \$400. Then, encourage your invitees to bring “tips” for your services and solicit tips from friends unable to attend the event by using the form below. All tips are placed in your tip jar on the night of the event and the waiter with the most tips will be recognized as the top waiter – our Shining Star.

**What is the Plaquemines Community CARE Center?**

The CARE Center is the human services agency for Plaquemines Parish, planning, coordinating and providing services to residents at numerous locations throughout the parish. The CARE Center serves as a Care Management Organization, “Helping One Child, One Family at a Time!”
