We will find you the perfect home.

"Janalyn knows the Island like the back of her hand, is super-responsive, and tells it like it is. I doubt I would have become an Islander without her. Now it's impossible to imagine life without a home on Shelter Island." — Steve Jacobs

We will build you the perfect home.

"We hired DJTM Enterprises to build our home on Shelter Island. It was definitely the right move. They brought in our complicated home construction project with diligence, good humor, and, best of all, within our budget. We can't recommend them enough." — Nanette Burns, Richard Teitelbaum, Henry Teitelbaum
