VOLUNTEER EXPERIENCE

2016 - Present

GENERATOR - BURLINGTON, VT

Volunteering at the front desk on weekdays, as needed. Overseeing workspaces and giving tours to visitors.

2013 - 2014

WINDSOR PUBLIC LIBRARY, WINDSOR, VT

Volunteering at the front desk on weekends as well as planing and executing occasional comics & cartooning workshops for adults and children.

2009 - 2011

ACADEMY OF NATURAL SCIENCES - PHILADELPHIA, PA

Worked on a large digital imaging project for the Biodiversity Heritage Library in their rare books archive. Digital scanning, photographing, editing, and archiving rare documents, as well as creating XML stylesheets for the project's website.

WORK EXPERIENCE

2008 - Present

FREELANCE CARTOONIST, WEB DESIGNER, AND EDUCATOR

Web Designer and Webmaster for many small businesses and artists. Published cartoonist and Illustrator. Frequently teaches cartooning & comics workshops throughout Vermont.

2015 - 2016

CPA SITE SOLUTIONS

Webmaster - Customer Support Representative
Website Tech Support & website management for thousands of clients in the accounting field. Duties included updating websites as requested, making template design changes using HTML & CSS, recording training videos, and phone, email, & chat tech support for their websites and portal.

2014 - 2015

THE SCHULZ LIBRARY - WHITE RIVER JUNCTION, VT

Head of Library Staff

Library duties include cataloging and checking out books & comics to patrons using Koha. Operating the main library as well as the off-site library & storage. Repairing books, processing donations, organizing events & activities, managing tech, training and overseeing staff, and making library improvements as needed.

2013 - 2014

BOCO DIGITAL MEDIA, LLC - PHILADELPHIA, PA

Freelance Storyboard Artist / Production Designer

Responsibilities include designing iPad app UI's, re-skinning learning games, and creating animation assets. Largest ongoing project was storyboarding and designing statistics animations for pharmaceutical representative training.

2011 - 2012

NETWORKS PLUS CO, LLC - CINNAMINSON, NJ

Web Department - Project Manager & Designer

Duties included meeting with clients, overseeing interns, training new employees, and scheduling & organizing web projects. Worked with developers to plan, design and code websites for small and medium sized businesses. Designed for print and custom illustration, as needed.

2011

MARVEL ENTERTAINMENT, LLC - NEW YORK, NY

Production Intern

Mostly Photoshop work - editing comic pages and preparing them for the colorists and letterers. Created pdfs and organized the production schedule.
