

The Energy Corridor of Houston Orchestra (ECHO) brings the gift of music to Houston area residents.

Founded in 2014, this orchestra is the cultural backbone of the Energy Corridor enhancing the quality of life for residents and businesses in the surrounding communities.

Our concerts and events bring together people of all ages, backgrounds, and economic levels. We perform throughout the area in facilities that are accessible to everyone and foster an appreciation and understanding of orchestral music amongst the community.

Your *support* will allow ECHO to continue to present concerts to the public.

Your *support* will enrich the cultural life of the Energy Corridor area and the greater Houston area.

Your *support* will let the community know that you care about the arts.

Your *support* is an investment in the future of the Energy Corridor of Houston Orchestra.
