

*every child, every school, every day*

## Certificate of Appreciation

Congratulations on your participation in an Art IS Education event!

---

Participating Student

---

Event / Place / Date

**Art IS Education is a showcase of youth arts learning throughout Alameda County that begins in March during National Arts Education Month and continues throughout the school year. This initiative is dedicated to a shared vision for a high quality education through arts learning for *every child, in every school, every day.***
