

Thank you for joining us!

We hoped you enjoyed learning more about many of the ministries and organizations here at St. Ann's. Now it's time to take the next step and get involved!

Contact information for all of our parish groups can be found on our redesigned and relaunched website, www.churchstann.org. If you missed Homecoming Weekend, you can learn about all of our ministries and organizations there, too.

A big thanks to all the volunteers who made our first Homecoming Weekend a success. From the parish groups who created beautiful, eye-catching displays to the members of the Knights of Columbus and the Women's Alliance of St. Ann's who hosted our free pancake breakfast, everyone did a wonderful job. Thank you for making St. Ann's a warm, accessible, and relevant parish family.

How did we do? Please send an email to the Parish Pastoral Council at stannppc@gmail.com to share your thoughts about Homecoming Weekend. We welcome your feedback and suggestions.
