Mission Balls Fundraising Event

My name is Cody Stachler and I am the assistant coach for the boys soccer team at TC. My wife (Amanda works at TC ECEC) and are part of a team called Dream On Global (<http://dreamon.world/>). Dream On Global was founded by TC alumnus Ben Swartz. We put on our first domestic conference this past March in Botkins, Ohio. It was a great experience and we were able to inspire people to go after the dreams God has given them. In November we will be putting our first international conference in San Pedro Sula, Honduras. We have a team of 10 people going down and spending 4-5 days prepping and running the conference. There is a large population of single mother homes and gang violence is very high in San Pedro Sula. We are coming in bringing a message of hope in Christ. One of the best ways to do this is through the medium of soccer. Dream On has partnered with a company called Mission Balls (<https://themissionball.org/>). They put the gospel on the soccer ball to help spread the good news in many different languages. The cost per ball is \$10 if we buy a minimum of 100 soccer balls. Our goal is to bring as many balls with us as we can. If you would pray about sponsoring a ball it would help us meet our goals. We would also be more than willing to bring letters with us and give them to the child who receives the ball. Please let me know if you are interested in sponsoring a ball. Dream on does accept checks as well as cash. Checks can be made out to either Dream On or Dream on Global. Please include either your email address or home address as we can send you a statement of donations for tax deductions. Checks can be mailed to 1560 Windridge Pl, Troy, OH 45373. If you have any questions feel free to reach out to me at cstachle@fastenal.com or my cell 419.953.8450.
