"Restore Me" by Laura Kaczor

On her newest album, *Restore Me*, Laura Kaczor (kuh-ZORE) has the powerful theme of restoration through the love of Jesus Christ. Laura penned all of the 10 songs, with six songs co-written with her dear friend Amy Lewis Strother. "My sweet Samuel, my baby, my son and the joy of my life is the reason I was on my knees in prayer for most of 2014. During this time, I sent my songs to Ian Eskelin who encouraged me to go forward with the album. Ian is a gifted producer that can take acoustic songs recorded on a webcam and turn them into truly amazing tracks with character, depth and emotion." says Laura.

The new album is a message of Laura's journey birthed in trials, fears and struggles, but a message of hope, faith, and strength found in the unfailing love and faithfulness of a Savior that restores us, a message from songs such as, "Only You," "Restore Me," "You Make Me Brave," "Forever," "Greater," and more. Kaczor says, "Above all, I want to thank my Heavenly Father, for seeing me through the most challenging year of my life and for speaking to my heart through the most difficult moments. You are the only One worthy of our praise! Thank you for making this album and everything it represents possible."

Amazingly, one of the powerful songs on the new album is one that Laura wrote before she was even pregnant, "We Don't Always Understand" which speaks to grief from losing a child or other inevitable losses and hurts we all experience in life with the message, "Keep on believing God is good in all things, we don't always understand...He has a plan." Little did Laura and Kelly know that song would strengthen them through a time of uncertainty in a difficult pregnancy and the open heart surgery of their precious son Samuel. Clearly, Laura's heart for ministry to touch, heal and restore others shines through this entire album with her desire for the listener to have their own experience with the Lord speaking to them through the songs.

Kaczor says, "I dedicate this album to the memory of Katelyn Lewis, whose sweet and gentle heart left us far too soon. And to anyone that reads these words, or listens to these lyrics, I hope you also experience how loved you are by God, and that He loves you with an everlasting love that never changes (no matter what you've been through, or done...) It's a love that reached down to earth in the person of Jesus Christ." "For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him, will not die, but have everlasting life." John 3:16
